

Friday Harbor

<http://www.art-adventures.com/> Lee Baughman and Susan Cowan

Susan and Lee have arranged another instruction - free painting get away for self directed artists. We have reserved the Grange Hall at Friday Harbor on San Juan Island with its full kitchen for four and a half days of creativity. You will be free to come and go at the Grange or create plein aire if you wish. This artist friendly space with its tall windows looks down on the harbor. It has "elbow room" to go beyond traditional painting to explore creative expressions such as batik, fish prints, monotype's, pours or ???!

Each day begins at 9:30 with a friendly critique by Susan and Lee. Participants will then pursue their own projects. Interaction with other artist will highlight the experience. Come early, stay late, just get away and paint! Join a "Food Pod" and enjoy communal meals or visit nearby restaurants.

Additionally, we have reserved cabins and rooms at the **Lakedale Resort** for those who wish to share accommodations. Their web site is <http://www.lakedale.com/> . Their phone number is **1-800-617-2267** or **360-378-2350**. **Say you are with art-adventures when you call to get the best price available.** Lakedale provides a nice continental breakfast with lodge rooms and cabins have cooking facilities. *Note* AAA and AARP discounts at Lakedale resorts.* Participants may choose to stay at other locations on the island if they wish. Susan and Lee are happy to help you find room mates and coordinate carpool arrangements.

DATES: Tuesday thru Saturday, **October 12 - 16, 2010.** (*You will probably wish to arrive on **Monday, October 11th** and settle in the night before.*) This Art-Adventure ends with a Saturday clean up and departure at noon. Participants agree to help clean up the Grange hall in order to keep cost of this Getaway low.

Cost: \$250 Sorry, but we are on too tight a budget on this one to refund your money if you cancel. You may sell your spot to another artist if cancellation is necessary.
