**Marbling with Susie Cowan: 4 Summer Sessions Cost:\$220 each session**

Join Susie in her backyard for this great opportunity to learn the art of marbling for artists. Small class size (space is limited to 6 students per session) makes it ideal.

Participants are invited to bring both paper and canvas to prepare with alum on the morning of Day 1 of each session. Strathmore Aquarius II

and Masa works quite well, but folks have had good luck marbling over other surfaces as well as over failed watercolors and acrylics. Black papers or gessoed surfaces can also be very lovely to marble over. Susie will provide all marbling materials, small individual trays and one large marbling vat to share for full sheet (22" x 30") paper.

**Session 4

Wednesday 9:30-12:30 &
